DEFINITIONS AND CONVENTIONS: "-" Nil or Negligible; Caseload figures are rounded to the nearest ten; Some additional disclosure control has also been applied. Totals may not sum due to rounding.

Notes:

Caseload Totals show the number of people in receipt of an allowance, and exclude people with entitlement where the payment has been suspended, for example if they are in hospital.

Main Disabling Condition *Where the claimant is eligible for both care and mobility components, the disabling condition associated with the mobility component is shown here. Where more than one disability is present only the main disabling condition is recorded.*

Number of IB/SDA claimants with a primary diagnosis of ME or CFS
